② Background and Objectives of this app

【Background】

We recognized “a lack of easy ways “ for international students to discuss overseas job opportunities abroad at their study destination.

【Objectives】

Creating an App for
“Casual Consultation” and “Sharing”
About Overseas Employment.

③ The app's concept

"An app for casual chat-based consultations and information sharing."

④ How to Approach

Specializing in overseas job and career advice, our app sets itself apart.
It uniquely focuses on Sharing Insights on Overseas Employment rather than Language Learning.

Language Learning < **Sharing Insights on Overseas Employment**

⑤ The App Description

(Hands-On)

※Conducting a hands-on demonstration
